

## Little Interest In Primary Election Here On Tuesday

Few Contests Loom Locally As Date For Voting Next Tuesday

Due to the fact that few contests loom, interest in the primary election scheduled for next Tuesday is lacking and a very light turnout is expected.

In the presidential primary, Dwight D. Eisenhower is the only republican candidate while Adlai E. Stevenson and Estes Kefauver are vying for democratic favor.

In congressional contests, Clair Engle, incumbent candidate for reelection to represent the second California District, has as his opponent Frederic H. Nagle, Jr., a Sunnyside rancher; Incumbent U. S. Senator Thomas H. Kuchel is opposed by Samuel W. Yorty, Tilden W. Johnson and Raymond R. Prichard.

Harold T. (Bizz) Johnson is opposed for his seat in the state senate, while Incumbent Francis Lindsay has as his rival Paul J. Lunardi, mayor of Roseville, in the fight for the state assembly seat, which he has held for several years.

### Local Officers

Two candidates for the Nevada County Republican Central Committee, B. W. Reynolds and Harold Welch are unopposed on the ballots. There are no candidates listed on the democratic ballot for the central committee.

In the nonpartisan office election, Supervisor H. G. Loehr of Truckee goes to the polls unopposed but is urging a good turnout of voters and asks a vote of confidence locally.

At Nevada City, Supervisor Curtis Clark has opposition from Louis W. Kopp and Mosco F. Smart, while at Grass Valley, Supervisor John L. Frank has two opponents, Bret J. Bennallack and Waverly W. Bishop.

Polls will be open from 7 a.m. to 7 p.m. and a full list of the election officers was carried in last week's Sierra Sun. In Truckee the polls will be as follows: One in the Truckee Elementary School; 2A in Curran's Distributing Office and 2B in the Truckee justice court. The Soda Springs precinct will be at Soda Springs Hotel; Donner Lake at Donner Trail Lumber Company and Floriston at the Felesina residence.

## RENO OBJECTS TO KITTS' REMARKS ON HIGHWAY USE

RENO—The Reno Chamber of Commerce took exception to a statement by a California business leader describing US Highway 40 as a "tinhorn turnpike which funnels California traffic to Nevada gambling tables."

The chamber noted Charles Kitts, president of the Nevada City Chamber of Commerce, was quoted as telling a highway meeting in Grass Valley, Calif., that California's proposed expenditure of \$25,000,000 to four lane Highway 40 over the Sierra would enrich Reno gamblers. Kitts said the money should be spent instead to improve secondary roads in northern California.

A spokesman for the Reno chamber noted that Kitts' remarks would imply that "all the traffic over Highway 40 between California and Nevada is a one way route to Reno."

He asserted the volume of business done by western Nevada firms with northern California business houses far outstrips in dollar volume that done by Reno gambling houses and that a large part of this traffic is carried by Highway 40.

## OLD-TIME DANCERS PREPARE FOR MEET

The Donner Dancers of Truckee and Tahoe Twirlers have been formulating plans for the square and folk dancing festival to be held July 15th in the Tahoe Truckee High School building and are anticipating a large number of dancers from other places.

All who are interested in the dances or wish to learn are invited to the regular sessions held each Friday at 8 p.m. in the Veterans Memorial Building.

## Baccalaureate Services At School Sunday At 8

Graduating seniors at Tahoe Truckee High School will begin a full week of activities Sunday, June 3, when they attend the annual baccalaureate service at 8 p.m. in the high school cafeteria.

Rev. Wesley H. Osman will address the 32 graduates on "This is Your Life."

The baccalaureate service program is as follows: Processional, high school band; invocation, Rev. A. B. Covher; high school chorus; Message, "This is Your Life"; Rev. Wesley H. Osman; benediction, Rev. Leo McAllister; high school chorus; Recessional, high school band.

## Three In Hospital As Result Of Auto Wrecks This Week

Three automobile accidents which sent three men to the Tahoe Forest Hospital were reported during the weekend by the California Highway Patrol.

The most serious and spectacular wreck occurred last Saturday evening when cars driven by Roger Pash, 20, Lake Orion, Michigan, and Douglas Lloyd Hall, 27, Nevada City, collided headon three miles west of the Nevada state line on Highway 40.

Pash and his passenger, Laurence Bonney, 31, St. Louis, Missouri, were seriously injured but Hall escaped with minor injuries. Pash was pinned in the car for some time before officers and others were able to free him. He had a crushed left arm and other injuries.

Officers from the Nevada Highway Patrol were the first on the scene and kept traffic moving and cared for the injured until the local patrolmen reached the scene. While the investigation has not been completed, it was understood the Hall car was across the center line of the highway.

### Car off Road

Thomas Jones, 47, who drives a truck for a hotel supply company at Reno, was hurt about the head Friday morning when he apparently fell asleep at the wheel and his panel truck ran off the highway two miles east of here. He was taken to the hospital for treatment. No citation was issued. Patrolman Earl Mixener made the investigation.

### Hits Guard Rail

Leonard E. Muldoon, 54, San Francisco, a newspaper circulation man, escaped major injuries when his car crashed into the guard railing at Hirschdale Monday at 8:15 a.m., tearing out 20 feet of railing. He was cited by Patrolman Carroll Maynard for speeding and not having his vehicle under control.

## TWO SENTENCED TO JAIL FOR ROBBERY

Robert Marshall, 20, of Nevada City and James Haughney, 23, of Truckee were each sentenced to six months in the county jail on a reduced charge of breaking and entering, a misdemeanor, by Truckee Judicial District Judge F. W. Wilson.

The pair pleaded guilty to the misdemeanor charge, reduced from an original charge of burglary, for breaking into and entering the summer home of Constable Tom Dolley at Donner Lake last month and taking some miscellaneous items.

## Great Books Group To Advance Meeting Date

The Great Books Discussion Group that ordinarily meets the second Wednesday of the month is advancing the date to the first Wednesday for the next meeting. On June 6th at the regular hour of 8 p.m. the Rev. Wesley Osman and Robert Curran will lead a discussion on Machiavelli's The Prince.

This will be the last discussion of the prescribed readings until the September 12th meeting. During the summer, beginning with June 27th, other books and works of literature as chosen by the group will be studied. Summer residents of the local communities are welcome to visit and participate in these discussions.

## OLD BARGAIN SPOT BEING DEMOLISHED

Work started this week on demolishing the old Bargain Spot on Bridge street which stands on property on which it is proposed to move the Southern Pacific Hotel building. The new owner of the structure, Paul R. Weirsdma of Sacramento plans to move the hotel structure to the new site, and prepare it as a rooming house.

### Returns Home—

R. N. Little has returned from a brief business trip to San Francisco.

### Enjoy Vacation—

Mr. and Mrs. Otto Frederick of Norden have returned to their store here after enjoying a two weeks vacation, much of which time was spent in Grass Valley.

## Survey Of River Basin Requested By Water Group

Officers Elected At Meet To Discuss Plans For Big Project

The 14-man California-Nevada water compact commission meeting in Carson City, Nevada, Monday and Tuesday, unanimously passed a resolution calling upon congressional delegations from the two states to seek early passage of the proposed \$43,500,000 multi-purpose Washoe reclamation project.

Copies of the resolution will be sent to each of the congressmen from the region urging speedy affirmative action.

Robert J. Newell of Boise, Idaho, a retired federal reclamation engineer, was elected chairman of the commission, with Col. A. M. Barton of Sacramento as vice chairman. Hugh Shamberger, Nevada state engineer was chosen secretary.

Cecil Edmunds of Truckee and George Devore of Reno with the three officers, comprise the executive committee of the commission. William Bechtold of Tahoe City is another member of the commission from this district.

Field trips are planned by the inter-state commission for July when studies of the upper Truckee river basin and Lake Tahoe will be made.

Members of the commission were told that in all probability the federal budget for the fiscal year will include \$34,200 for flood condition survey of the Truckee river.

Alan E. Bartholemey, executive director of the 1960 Winter Olympic organizing committee, appeared before the commission in regard to the use of water in Squaw Valley for staging the games.

## Junior League To Be Formed Tonight

Thirty-five boys turned out last Saturday in the first step to organize a junior league baseball club here and all showed a keen interest.

The next step in the program will be to determine whether or not the support of parents can be expected and to determine this Dave Morey, president of the Truckee Athletic Club, has called a meeting for tonight at 8 p.m. at the elementary school, to organize the league.

All parents of boys between the ages of 10 and 15 years are requested to attend if they wish the project to be continued.

"Unless we can have the cooperation of the parents, it will not be possible to have the league," Morey declared. "This is a community project and must have the support of the community."

## Teacher Will Address Meeting Of Wyethia Club

Matilde Di Suvero of the Tahoe Truckee High School staff will be the guest speaker at the June 1st meeting of the Wyethia Club.

Mrs. Ray McCarty will preside at the business session which will convene at 8 p.m. All members are urged to attend and take a guest to hear the program.

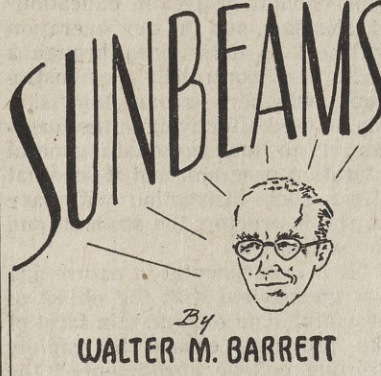

## Finnegans Leaving For New Placerville Home

Mr. and Mrs. John Finnegan and children will leave on June 4 to live in Placerville. Finnegan has been promoted to the post of lending officer by the Bank of America, transferring from the local branch.

The family has made many friends during their residence here and their departure will be regretted.

## PAINTERS COMPLETE WORK ON S.P. DEPOT

Painters Tuesday completed the task of painting the roof of the Southern Pacific depot a forest green to match the light sea-foam green siding which now adorns the former drab yellow building. The face-lifting is receiving many approving remarks.

## Informal Balloting Favors Airport To Serve This Region

Voters Favor Project Here By 3 to 1 Vote; Work Will Continue

In response to questionnaires sent out last week seeking to determine the wishes of the voters of the district on continuing an effort to secure a district airport, 247 replies showed an overwhelming vote in favor of the project.

The count of replies showed 184 favor the project and 63 are opposed to continuing.

As a result of the unofficial score, members of the committee, made up of representatives from all parts of the district and headed by E. V. O'Rourke, are expected to meet in the near future to outline more definite plans.

Supervisor H. G. Loehr said he would revive his request that \$2,500 in state airport gas tax refund be allocated to the local project from the County CAA and the California Aeronautics Board before federal or state assistance can be allowed.

The questionnaires were sent out by a sub-committee comprised of Hal Welch of Truckee, Fred Schultz of Kings Beach and Clay Diltz of Tahoe City and went to those whose names appeared in the Nevada and Placer county great registers of last year. They went to Tahoe City, Kings Beach, Truckee, Floriston and Soda Springs.

Several state agencies as well as numerous local organizations have strongly urged the airport project and Congressman Clair Engle has, for a number of years, worked toward its construction and has offered all possible help from his office.

## Dog Owners Are Warned By Warden

With the return of deer to their summer grazing grounds comes a warning from Game Warden Ery Single to dog owners who allow their pets to run uncontrolled, assembling in packs to chase and slaughter the young deer.

Single warns that there is a law against permitting dogs to chase deer and that the owner is responsible for the action of his dog.

Several times in recent years, stray dogs have been noted ganging up to kill deer and the longer the practice is permitted, Single declared, the more frequent the slaughter occurs since one dog will teach another the knack of the chase.

Dog owners are warned to keep their animals under watch at all times, especially during early morning and late evening hours, since it is at those times the deer are starting to move around for food and water.

## Garage Men Meet For School Purchasing Plan

Several service station owners, garage owners, and automobile supply dealers met at the Tahoe Truckee High School last Thursday to discuss purchasing of tires, supplies and accessories by the school district. The group in conference with Harry Eaton, supervisor of transportation, and Everett V. O'Rourke, superintendent of the district, came to some conclusions concerning future purchases of automobile accessories and supplies.

Those present at the meeting were: Walter Bailey, Tahoe Vista; Mrs. A. M. Henry, Tahoe City and Mrs. C. W. Kydd, Charles Osburn, Clarence Osburn, Andy Garcia, Lauren Russell, Glen Coffey all of Truckee.

## Two Local Women On Air Trip To Honolulu

Mrs. Fred Pedley and Mrs. Nat Quillico left Tuesday from Reno via United Air Lines for a two weeks vacation to the Hawaiian Islands. They will fly to the Islands and return with the California Federated Women's Club tour, staying at Waikiki Beach with special tours for the club women to all places of interest in the island group. Mrs. Pedley as state chairman of safety will represent the state board.

## 8th Graders Will Be Graduated During Program June 7th

Graduation exercises for the eighth grade at Tahoe Truckee High School will be held Thursday June 7 in the high school gymnasium at 8 p.m. The graduating class will hear an address by Dr. Helen Strickland, general supervisor of Placer County schools.

Con Briner, vice-principal extended an invitation to the public to attend the program and announced that refreshments will be served by the school and parents of the graduating class.

The program of the graduation is as follows: junior band, processional; Invocation, Rev. Wesley H. Osman; pledge of allegiance, Sam Medford, Frank Borden and Stan Stock; address of welcome, Sherry Briner;

Introduction of class officers, Barbara Nelson; student speaker, A. Look at The Future, Diane Speeter; junior band, Choral; address, Living with Myself, Dr. Helen Strickland.

Class will, Steve Ayala and Diane McGilhon; class prophecy, Mitchel Terkildsen and Andy Peterson; junior chorus; student speaker, The Challenge, Walter Mandeville; presentation of class, Conrad Briner.

Presentation of certificates, Everett O'Rourke; closing address, Richard Trent; benediction, Rev. Leo McAllister.

## MERCHANTS GIVEN LIST OF NEEDS FOR SCHOOL PURCHASES

Merchants in the Tahoe Truckee Unified School district, supplying articles required by the students and the district have been supplied with lists of athletic equipment normally needed so that they can stock the items if they desire.

The list was prepared by Everett O'Rourke, superintendent of the district; Conrad Briner, high school vice principal; Betty Lou Raker of the girls' physical education department and James Brehler, director of the boys' physical education.

The school officials have invited anyone having questions regarding the list to consult with them on details.

It was also announced that requests for bids for district school purchases will be distributed to local concerns when possible and dealers are asked to indicate what suppliers they will represent.

The action was taken as a result of two meetings held between school officials and local suppliers during the past two weeks for a round-table discussion of school buying policies. The meetings were called by O'Rourke and Reg Smart, president of the governing board.

## FINNEGAN WILL SEND OUT CANCER LETTERS

Although he is leaving in the near future for their new home at Placerville, John Finnegan, chairman for the Nevada County cancer fund drive in this region, will continue to serve as long as he remains.

Finnegan announced this week that he is preparing form letters which will be mailed today calling upon local residents to support the worthy cause in the drive which begins Friday, June 1.

Finnegan has been chairman for the drive for the past several years and has accomplished a worthwhile job. His successor has not been named.

## PRISON POPULATION IN STATE DECLINES

SACRAMENTO (CNS)—California's prison population at the end of April totaled 15,290 inmates, the state department of corrections reported today.

This was 368 under the inmate population one year earlier.

The department said the decrease occurred in the number of male prisoners. The number of women felons increased from 547 a year ago to 584.

### Memorial Day Visitors—

## AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO (CNS)—Whether or not educational television is any good for purposes of education is a question which the San Francisco State College seeks to determine, according to a report made to Governor Goodwin J. Knight by Roy E. Simpson, state superintendent of public instruction.

For some time, the San Francisco State College has conducted an experimental project in educational television, and the new operation will seek to determine, through a series of controlled demonstrations, whether or not television can be used effectively in the teaching of an undergraduate general education program, and if so, what effect such instruction will have on the instructor, the student, and the institution.

"It is experimental in nature and was undertaken with the object of providing data on a certain facet of the problems caused by rapidly growing college enrollments," the report says.

The experiment will cost \$125,177, according to the report, but it won't come out of the taxpayers' pockets. The money is being advanced by the Fund or Advancement of Education, the major portion of which is furnished by the Ford Foundation.

The facilities of KQED, which is the San Francisco Bay area educational television station operating on Channel 9, will be used for the experiment.

"Four courses," says the report, "each one semester in length, will be taught by television. The courses, chosen to present varying degrees of difficulty in presentation by television, are in international economics, beginning psychology, basic communications, and fundamentals in the creative arts. The experimental pattern calls for two weekly lectures of 45 minutes each, by television, and a two hour on-campus discussion session every two weeks.

"The same course will be taught in the classroom by the same instructor who presents the television lectures. A carefully planned evaluation program will measure the learning results of the television students as compared with those receiving instruction in the classroom.

"Detailed records will be kept of student and faculty attitudes, pressures and other factors of this

## Builders Asked To Plan For New Contracts In Move By Labor Unions

KINGS BEACH—Contractors in the Lake Tahoe area have been invited to form an employer group to negotiate a contract with organized labor covering building crafts workers in this section.

More than 75 contractors and union representatives attended a meeting here last week to discuss the matter. F. B. Wood of Auburn, Placer County, president of the Tri County Building and Construction Trades Council, was in charge.

Al May of Reno, representing the teamsters union, explained the unions seek to organize workers at Tahoe and plan to open a Lake Tahoe building trades office later this month to serve as a labor pool clearing office. Union leaders re-

kind.

"A board of educational advisers, comprising nine people drawn from throughout the nation, will meet twice, once at the beginning and once at the end of the experiment, to advise the college on the experiment and its evaluation."

Now if the department of education finds the experiments successful, the next step would be elementary education, with the substitution of reading, writing and arithmetic for the "bang-bang" sagas of what should be a comfortable dinner hour. Application of television education to the studies of the elementary student, of course, would neatly solve the school building shortage, and also the alleged teacher shortage, or through this modern medium, one teacher could handle thousands of students, instead of just a handful. And it is probably for this reason that no one would give serious consideration to the method of instruction being investigated, for its adoption would cut out too many jobs.

## NOTICE TO INTERESTED TAXPAYERS

The preliminary budget for the Truckee Fire District for the period July 1, 1956 to June 30, 1957 has been adopted by the fire commissioners of the Truckee Fire District, said budget being:

## Pay For Day Nurses Is Slated To Raise In Area

AUBURN—Formal notices of increases in private duty nurse fees are going forward to hospitals, county medical societies and other agencies placing private duty nurses, Mrs. Lettie Bagley, president of Donner Trail District 48, announced today.

The increase, amounting to \$1.00 for an eight-hour day, becomes effective June 1st, Mrs. Bagley said, and sets a per day fee of \$16.

The new fee schedule was voted last month by the private duty nurses section at the annual convention State Nurses' Association, and was approved by the CSNA Board of Directors. It was designed to bring private duty nurses' fees more nearly into balance with salaries paid other occupations and professions which, in turn, affect nurses' cost of living.

Slightly higher per diem fees are listed for the care of alcoholics and for mental and drug addition patients and for communicable diseases.

quested the contractors to organize their own council to facilitate blanket negotiations with organized labor.

### Party For Teacher

On the afternoon of Friday, May 25th, the Tahoe Lake School held a full assembly in the school auditorium as a pre-lated farewell party honoring their popular principal, Mrs. Ruth Roberson, who is being transferred to Truckee from this school following the closing of this term. As an offering of respect and appreciation at this time the school children presented her with a beautiful planter engraved with her name and that of the school, as well as the year, 1956. She also received many personalized cards made by children bearing their various sentiments and regrets that she could not be with them next term. Presentation of the gift was formally made by Sheryn Abraham-

ian, a fourth grade student.

### PTA Attends

Local P.T.A. members attended the party, and on request from the assemblage, Mrs. Roberson reviewed some of the numbers put on by her grades for the recent spring music festival. Her student chorus also sang again the Hymn of the Sierras, by E. J. Vernon, with music by J. E. Pringle of the Tahoe-Truckee High School faculty. All these numbers were reviewed by the 4th, 5th and 6th grades which were taught through the past term by Mrs. Roberson.

Following the entertainment Mrs. Roberson spoke briefly in appreciation of the cooperation given by the parents here, in her work as principal through the past term.

### Party Hostess

On Saturday evening, in her home at Edgewater on the Truckee river, Mrs. Roberson was hostess to the Tahoe Lake School faculty, with a dinner as a gesture of her pleasure in the past term's association with them. She specialized in

southern dishes for the meal, which was thoroughly enjoyed by all.

### Celebration

Over the weekend of June 3rd, Mr. and Mrs. A. M. Henry of this city plan a home birthday celebration for Mrs. Henry's brother, Fred Planett, who will be here at that time. Fred and his mother, Mrs. Mary Planett, of Roseville, expect to start their summer vacation in Tahoe City on that weekend. Over the past weekend the Henrys entertained visiting friends in their home here, Sgt. and Mrs. Thomas Curran of Auburn. On Sunday the Curran and Mr. Henry enjoyed several rounds of golf on the fresh greens of the Tahoe City course.

### Visit Tahoe

Visiting friends in Tahoe City over the past weekend, from their present Sacramento home, were former Tahoeites Jack and Nettie Malcolm. Jack Malcolm, for many years in the past, was the official "Isaac Walton" or "King Fisher" in this region. The pair was driven up from the city for the two days

### LAKE LEVEL

TAHOE CITY—With all gates closed into the Truckee river, the level of Lake Tahoe Monday was 6228.41 feet above sea level. No precipitation has been recorded for the past ten days and the temperature has ranged from a warm 70 to a cool 33 degrees, Art Frodenberg, cooperative observer, announced.

### NOTICE

by their daughter Florence, and said they plan to return for a much longer stay in mid-August when the fishing is at its best. They wished to be remembered to all the Tahoe friends they missed seeing on this short visit.

### Mrs. Bliss Visits

Mrs. Evelyn Bliss, now a resident of Oakland, was a Tahoe City visitor for a few days last week. An old time Tahoe resident, Mrs. Bliss spent forty-some years in her own home here until about a year ago when her property was purchased by Mr. and Mrs. Jack Starratt. She brought greetings this week from Mrs. Kitty Crist, who was also a former Tahoe resident for many years, and is now a close neighbor of Mrs. Bliss in Oakland.

### Street Cleaning

A spring cleaning of streets is going on throughout the general Tahoe City limits this week. Where the early wet weather had caused holes and ditches to appear they have been patched by county equipment. The most effective improvement of all, however, is more than a dozen new artistic street signs on corners and at crossings, with the letters carved deep into the wood by Constable Harry Johanson, and finished off with bright paint by our artistic county caretaker, Harold Farr.

### TRUCKEE ELEMENTARY

**KINDERGARTEN:** Most of our class participated in musical games with the first grade on the playground this week.

**FIRST GRADE:** Those who had 100 percent in spelling this week

were John Collier, Ronnie Kyle, Kathy Braasch, Karen Hedlund, Sharon Peterson, Cathy Braley, Gail Englehart, Timmy McLane, Bruce King, Gary Kehm, Susie Olano, Donny Whiteneck and Gary Waters.

**SECOND GRADE:** In dramatic play, in social studies, Charles Hintz, Candy Hamilton, Claudia Ayala, Alexander Cushing and

Dawn Maynard took the part of the Smith family and carried out its activities throughout the day.

The following pupils were the community helpers with whom the Smith family had dealings: Sherry Borden, Foston Wilson, Kevin Larivee, Dennis Richards, Jackie Finnegan, Larry Digesti, John Sturcke, Ricky Ralphs, John Besio, Kenneth Hensley, Heidi Euer, Kathleen Kenyon, Joyce Randall, Anne Morey, Randy Russell and Courtney Lewis.

**THIRD GRADE:** The third and fourth grade played a most exciting soft ball game Monday. The fourth won by a good margin. Both grades shared a party Thursday afternoon. The hosts were Richard and David Saroni.

**FOURTH GRADE:** Fourth graders have been studying about the early American settlers of California.

On a recent quiz on the use of reference books Jim Randall and Dianne Cardinal received highest grades.

**FIFTH GRADE:** For the past three weeks, the various project committees have been presenting their oral reports. Committees which have completed their reports so far are: Homes and living, agriculture and industry and power. Members of the committees are: Jim Grady, Dennis Whiteneck, Helen Kohl, Jerry Kirby, Kathleen Curran, Virginia Barnes, Diane Kasplan, Fred Steele, Darby DeLisle, Jeffery Stock, Janice Eaton, Pamela Rose, Kittie Ellis, Joe Parkhurst, Joe Straub, Mary Ann Miller, Gary Brines, Daven Morey, Kenneth Lloyd, David Pankoke, Gene McGilhon and Robert Hobbs.

**SIXTH GRADE:** Our class is completing the last sub-unit of our study of South America with research on Brazil, the Guianas and West Indies.

Last Friday the fifth and sixth grades completed their little series in softball. The sixth grade emerged victoriously for the first time in the four or five hard-fought events. They won 7 to 6 in an extra inning contest. Batteries for the fifth grade were Jaquin Fuentes, pitcher, and Dennis Whiteneck, catcher. Those for the sixth grade were: Linda Giovannoni and Barry Leamon, pitchers and Gene Miller and Mike Armstrong, catchers.

The margin of victory was provided by J. C. Roberson, who drove in Don Breakfield with a single.

**DONNER TRAIL**  
Mrs. Peterson, Miss Itoni and Mr. Carrico thank the people of the Donner Trail Community for the nice party and gifts which were received at the pot luck dinner on May 24th.

**GRADE:** On Friday we went for a walk to the Griff Creek Ponds.

**SECOND AND THIRD GRADES:** We received a letter from Postmaster Carol Howard and Postal Clerk Wilma Lucas. They asked for our help, especially during the summer months, to keep children from tampering with the mail boxes.

This week we have three new girls in our room. The Robert twins, Judy and Jill are back from Petaluma. Frances Grizzell came from Las Vegas. She is in the third grade. There are thirty-nine children in our room now.

On Thursday, Mrs. Wing gave standardized reading tests to Group IV. Those taking the tests were: Leta Laborde, David Mills, Alton Clothier, David Reed, Susan Graton, Estelle Howell, Arthur Wadell, Marlea Draney, Amy Arndt, Raymond Hill, Carol Franklin, and Wendy Boatman.

**FOURTH FIFTH AND SIXTH GRADES:** As part of the unit on fire control the whole class this week visited the state line lookout in order to learn more about fire spotting. Nelson Stone, assistant fire control officer aided in the explanation of the duties of the fire lookout.

Plans are underway for the graduation program to be held at the school the 6th of June at 8:00. Bud Robertson has been selected as the master of ceremonies. Speeches by Joanna Johnson and Robert Howell are also part of the program. The entire sixth grade worked on a school song that will be presented for the first time at graduation.

**TAHOE LAKE**  
KINDERGARTEN AND FIRST: Tahoe Lake first graders and kindergartners are really enjoying the new record player our P.T.A. bought for the school.

**SECOND, THIRD AND FOURTH GRADES:** This week we studied under-water plants and coral formations. An exhibit of fine coral and shell pieces were put on display in the room. Lance Poulsen brought from his father's collection a giant clam shell and the shell from a Fiji Island turtle.

**FIFTH AND SIXTH GRADES:** The communication study is coming along with much enthusiasm. Galen Paine and Erica McLane are reporting about the telephone and are making a replica of the first one used. Danny Connors and Mike Marvin are studying the alphabets and making a chart to illustrate the first ones in use. All reports are to be finished by Friday, June 1st.

The Lloyd Smith collection of Washington recently donated for the Morristown National Historical Park in New Jersey has been valued at \$500,000.

## AIR RESCUE FILM SHOWN AT MEET OF ROTARY CLUB

**KINGS BEACH—** Pappy Brooks in the absence of President Bill Randall presided at the regular meeting of the Brockway Rotary Club Monday night. Visiting Rotarians were Bob Wray and Bill Vernon of Tahoe City; C. B. Brake of Petaluma and Pete Bennett of the Catalina-Tucson club of Tucson, Arizona. In all there were 34 members and guests present.

The meeting was turned over to Program Chairman Hank Dodd who introduced Major Preston M. Dean, operational officer 8th Air Rescue Group of Stead Air Base in Nevada. Major Dean flew on the first air raid over Berlin in a B17 and a B 29 in World War II and in a SA16 Amphibian in Korea. He showed a film entitled "Know Your Air Rescue Service" which gave an idea of the methods used in rescuing downed air craft under all conditions.

## State Aide Quits After Bad Checks Revealed

**SACRAMENTO (CNS)—** George M. Johnson, deputy state treasurer, and cashier in the office of his father, State Treasurer George M. Johnson, had resigned his office as the result of a request by John M. Pierce, state director of finance, that the younger Johnson be "fired".

Pierce said department of finance auditors had uncovered a series of 55 checks cashed by Johnson in the state treasurers office, which were dishonored by banks in which the younger Johnson kept his account.

State Treasurer Johnson said that all checks have been covered, and that the state has lost nothing. Pierce said that he does not believe the younger Johnson has committed a crime.

The request that Johnson fire his son was made in a letter sent to Johnson by Pierce, and distributed to the press at the same time.

The last dishonored check, Pierce said, amounted to \$97.50, and although listed in the assets of the

### TAHOE MEMBERS NOW ON BOARD OF COUNTY C. OF C.

TAHOE CITY—Advisory directors of the Placer County Chamber of Commerce from the Tahoe area who attended that organization's bi-monthly meeting held at the Auburn Hotel on the evening of Friday, May 25 included Harry Stubble and Ace Abbott of Kings Beach, P. M. Burroughs of Tahoe Vista and C. W. Vernon of Tahoe City.

One of the principal business matters on the agenda, of special interest to lake residents, was an amendment of the by-laws in which the number of directors was increased from five to fifteen, thus eliminating the previously designated title of "Advisory Directors". Under the new order each of the five Chambers in the county will appoint one director from its membership to the County Chamber. The supervisors of each of the supervisorial districts (five in all) will also appoint two directors to the county chamber.

The annual election of officers will take place in Auburn between June 25 and July 1 on a specific date as set by the president.

The 1956-57 county budget was approved at this meeting at \$11,820, which is \$420 over the previous year. This figure will be presented to the Placer County Board of Supervisors for their action when the county tax rate is set.

### FEWER REQUIRE AID

SACRAMENTO —(CNS)—The state department of social welfare reported that 5,000 fewer persons received public assistance in April than in March and 16,000 fewer than received help in April, 1955. Welfare expenditures in California for April totaled \$29,058,383.

in the Los Angeles County Fair in September, committees were appointed to contact the 1956 Olympic Games committee to learn if they will bear part of cost of the various entries.

### LIQUOR "FIX" DAYS OVER, SAYS KNIGHT

SACRAMENTO —(CNS)—Gov. Goodwin J. Knight declared at a meeting of his top state officials that the days of the "fix" in connection with liquor law enforcement in California are over.

Knight made the statement after receiving a report from Russell S. Munro, state director of alcoholic beverage control, on a raid by state and local agents on 15 Main Street bars in Los Angeles.

As a result of the raids, Munro said, seven of the bars were shut down.

Knight said there is no chance of liquor fixes now that liquor law enforcement is subordinated to the governor rather than the state board of equalization.

### Subdivision Filings Set New Record, Report Says

SACRAMENTO —(CNS)—D. D. Watson, state real estate commissioner, announced that subdivision filings in California during April totaled 344, a gain of 19 over March and only 14 short of the all-time high established in April, 1955.

Watson said 2,698 subdivisions have been filed with the state up to May 1 of the current fiscal year, about 20 below the paces of the preceding year.

The commissioner said the number of complaints from the public against real estate salesmen and brokers totaled 418 during April, compared with 340 for the same month a year ago.

So far this year, Watson said, 4,311 investigations into such complaints have been made, compared with 3,705 in the corresponding period of last year.

### CAL-NEVA LODGE IS GIVEN 1956 LICENSE

### State Can Withhold Fund From Schools Failing To Use Required Text Books

SACRAMENTO —(CNS)—Attorney General Edmund G. Brown ruled today (Fri.) that the state of California can withhold moneys from school districts which do not use state textbooks.

But the state cannot "deprive" such districts of the minimum state support of \$120 per pupil in average daily attendance prescribed in the state constitution, Brown held.

Brown upheld constitutionality of the state education side which states that school employees who do not use state textbooks are guilty of a misdemeanor.

The attorney general said the state may withhold that portion of school money in excess of the \$120 minimum but under the \$180 average for each pupil in average daily attendance. This portion is allocated by the legislature for equalization aid.

Assemblyman Donald D. Doyle, of Walnut Creek, chairman of a special assembly subcommittee on education, requested the opinion.

Doyle, in requesting the opinion, said his subcommittee found "there is apparently a widespread non-use of textbooks, despite the punitive statutes which exist that provide to educators for such non-use."

Brown said 1,550 of the state's 1,800 school districts receive funds in excess of the constitutional minimum.

According to the attorney general, the state uses only books processed through the state printing office from plates loaned by certain national textbook publishers. But many districts, Brown added, buy privately printed textbooks which the districts consider necessary for the education of children, and for which publishers refuse to loan plates.

a month ago but the tax commission delayed action upon it until Monday.

Also approved by the commission was a gambling license for the North Shore Club at the lake. The applicants were James A. Hume, Clarence C. Harris and Gerald F. Cooper.

### Placer County Board Of Education Is Elected

AUBURN—Placer County's first elective board of education was chosen by voters in last Friday's school election. Superintendent of Schools Albert Bequette announced that the following members were elected on the basis of unofficial returns.

Robert Mahan and William Finger of Roseville; Naomi Huntley and Richard Steele of Auburn; J. W. Grossman of Colfax; Frank Poirier of Loomis; Richard A. Lee of Lincoln.

Mahan and Finger were elected in a three way contest in the Roseville area. The third candidate was Dino Manfredi.

There were four candidates in the Auburn area. In addition to Mrs. Huntley and Steele, Lawrence D. Black and F. L. Sinclair sought the posts.

Grossman, Poirier and Lee were unopposed in their areas. Lee is the only member to carry over from last year's board of education.

The election returns will be officially canvassed on June 4, Bequette said.

**Meeting**

The business people's club of North Tahoe held their last meeting at the Monte Carlo, Crystal Bay and once again some very important business was discussed that will be beneficial to the whole community. Mrs. Polzin, secretary of the group, says 16 new members were taken in club, and new names added to the board of directors are Walter Speeter, Ray Bergman and Earl Gray. The general meeting of the group will be held over till September, but the directors will meet from time to time.

**Resort Owners**

The Monte Carlo was the scene last Tuesday night of a large gathering invited by Joby and Helen

Lewis. It consisted of motel owners and special guests. A cocktail hour was followed by a delightful dinner. Among those attending were Washoe County-Sheriff Bud Young and Mrs. Young, William A. Scott, sheriff of Placer County and Mrs. Scott, County Supervisors Frank Paoli and Andy Anderson, Undersheriff Fay Bates and wife, Tom and Mrs. Sheehan and E. R. Meikener of the California Highway Patrol and many more too numerous to mention.

**Murray's Back**

Bob and Mrs. Murray have arrived at Tahoe Vista where they have a beautiful home, after spending the winter at Merced. It is sure nice to have them back, as they are all-ways looking for the betterment of the community.

**Lions**

Lions of Reno, Sparks, the South Shore, and Carson City met at the Crystal Bay Club last Saturday night for the purpose of singing the praises of the officers of the Lions International, and to welcome presidents elect that will take over the responsibilities of that important office. After dinner which was a delightful affair, lots of fun was indulged in. There were over a hundred present and Dave Ashton represented the local club.

**Community Church**

Rev. A. B. Covher announced the officers who will carry on the business of the church in the coming year were elected by the entire congregation. Two lots on the east and adjoining the church were purchased, so that the expansion contemplated may not be held up for the lack of room. The members are quite disturbed by the announcement of our pastor that he has asked for a transfer to another locality so that he might go to college.

**Getting Set**

I see Mrs. Mooney is up, and the Sky Blue Waters which she owns, is all lit up nights, which certainly adds to the community. Bucky Harris is also here getting ready to open up the North Shore Club, Crystal Bay. Say he might open up around the 14th of June. The Tahoe Biltmore will open about the 10th of June with brand new owners, and the Cal-Neva Lodge getting set to open up as soon as everything is in order.

**Sickness**

Very sorry to know that Grant Lowry, Sr., has been so sick in the Veterans Hospital in Reno. I understand he went through a very serious operation but it is hoped that he is on the road to recovery. Larry was with the P. & G. Market in the meat department for a while.

**And Another**

I understand our good friend, Lassie Patterson, secretary to the highway patrol in Truckee has been pretty sick at her home in Grass Valley but the last report from Tom Sheehan, our popular patrolman says she is coming along very nicely and will soon be back at work.

**Black Topped**

Glad to see our old friends Bill and Bonnie Bates back from Missouri, where they spent the winter on their farm. They are as busy as can be around their Horseshoe Lodge in Tahoe Vista, having their grounds black topped and of course Milo Browne is doing the job.

**Telephone**

Sometimes we gripe about our big telephone bills, but when you come to figure it we just couldn't get along without it. Between the Nevada State Line and Tahoe City is a regular beehive of men working on the wires, and tons of cable, and equipment galore. No wonder it costs money.

**ACCUSED THIEF IS  
FOLLOWING HEARING**

TAHOE CITY— Donald W. Wood, accused of taking \$800 from Homewood Resort in 1953, has been returned from Wisconsin and was given a preliminary hearing before Judge Harry Charrison in the Tahoe Judicial District Court on Friday. He was held to answer to the superior court on \$5000 bail and remanded to the sheriff for safe keeping.

Wood told the court that since he left Tahoe three years ago, he served two years in the state prison in Wisconsin from where he was returned to Tahoe by Sheriff William Scott.

## STRICTLY STRICKLAND

By Bill Strickland

I've read the writings of columnists of the different bay area newspapers for several years without giving too much thought as to how they were written—or how they got their material to write about. During the ski season when everything on the mountain was in full operation, it wasn't too difficult to dig up material which we hope was of reader interest, but not that we are between seasons, so to speak, news items aren't too abundant. If you two or maybe three people who read this column would take the time to send me news of events in your area, we will appreciate it a lot.

Last Thursday evening a surprise pot luck dinner was held at Trailside Lodge honoring Bill Carrico and his wife; Miss Idoni and Mrs. Helen Petersen. We are all sorry to see them leave and sincerely hope for their success in their new locations. Just about everyone from the mountain was there including the children. That certainly was proof of their popularity, and was a showing of appreciation by the parents, for a job well done. Bill, his wife and children will be moving to Menlo Park where he has accepted a position in one of the local schools. Miss Idoni is moving just a short distance away to Truckee, while Helen, Pete and children are heading for Colorado. So, from all of us, to all of you, good luck.

Looked out the front window the other morning and saw "The Mayor of Donner Summit", Art Culliard, being towed to the post office by Ralph Rowton. Understand a piston and a connecting rod were trying to get someplace at the same time and then, as a consequence, they both came out the side of the block. Understand also that Clarence Osburn will probably sell a new Willys wagon with practically no sales effort.

Charlie Van Evera was a visitor on our mountain last Friday. After many years of operating the rope tows and J-bar here on the Soda Hill, he finally sold out and is now sales manager for United Tramways, Inc. So instead of one lift on one hill, he now sees that there

## FAR WEST SKIERS PASS RESOLUTION ON 1960 OLYMPICS

The Far West Ski Association, the guiding body for organized skiing in California, Nevada and Arizona, has adopted a resolution strongly supporting the 1960 Winter Olympic Games at Squaw Valley, Wes Hadden, the association president announces.

The resolution, which offers any possible aid has been received by the California Olympic Commission and its text follows:

WHEREAS, the 1960 Winter Olympic Games have been awarded to Squaw Valley, California, and confirmed after the appropriation by the California Legislature of the sum of Five Million Dollars to be

many lifts on many hills. He was having a look for the location of a new lift that Milt Hogle will construct here this summer.

Took our two boys to the ball diamond at the Truckee "Y" Saturday for the "Little League", and "Pony League" baseball sign up. I was certainly surprised at the turnout. Around twenty for a Little League (ages 10, 11, and 12 years) and sixteen or seventeen for the Pony League (ages 13, 14, and 15). I stuck around to see if the youngsters would let me get in the game with them. They did, I did, and I'm so stiff and sore now I can hardly move—still 39? Oh, well!

controlled and administered by the California Olympic Commission; and

WHEREAS, the Squaw Valley area has the potential and setting, if properly developed, for holding and handling the Games in 1960; NOW, THEREFORE, BE IT RESOLVED by the Far West Ski Association in its 1956 Convention assembled:

(1) That the active, wholehearted and enthusiastic support of the Far West Ski Association is hereby pledged to the financing, planning and successful staging of the 1960 Winter Olympic Games at Squaw Valley, California, to the end that the Games shall be in the best traditions of the Olympics and fully representative of the ability and hospitality of California and the United States.

(2) That in redeeming this pledge, the Far West Ski Association and each of its technical committees now offers and will supply the necessary personnel and technical knowledge required or desired for the proper holding of the 1960 Winter Olympic Games at Squaw Valley.

(3) That the Governor of the State of California and the California State Legislature be congratulated upon the passage of the acts apportioning the sum of Five Million Dollars for the planning and construction of the facilities necessary for these games; and

(4) That a copy of this resolution be forwarded to the following: Governor of the State of California; California Legislature, and appro-

private Senate and Assembly Committees; International Olympic Committee, and Mr. Avery Brundage, President; United States Olympic Committee; California Olympic Commission, and each member thereof; Organizing Committee for the 1960 Winter Olympic Games, and each member thereof; Federation Internationale de Ski; and the National Ski Association.

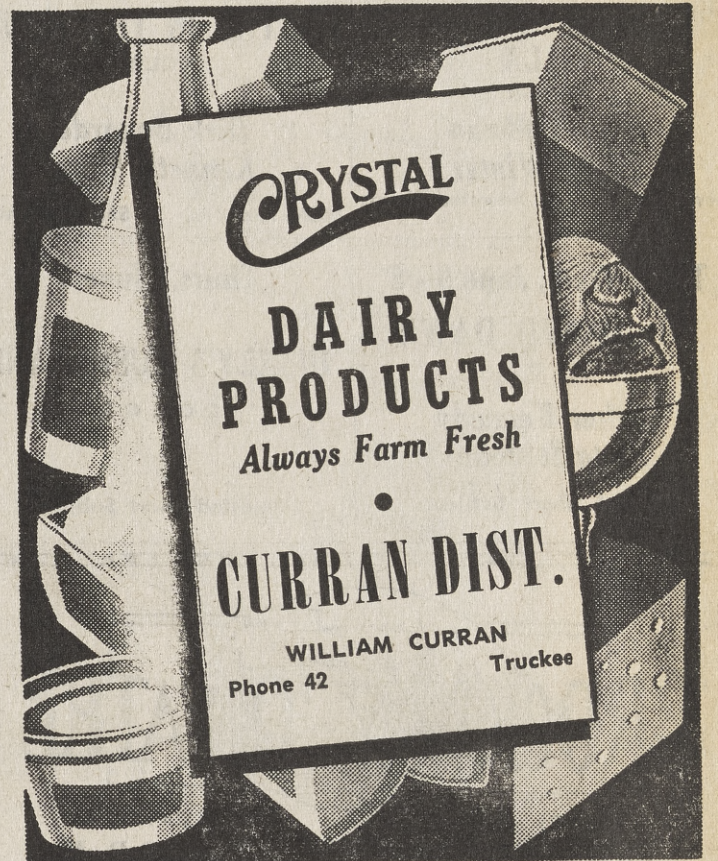

ADOPTED at Pasadena, California April 21st, 1956.

Cutthroat Plant At  
Tahoe Being Tried

An effort to re-establish the cutthroat trout in Lake Tahoe has been started with experimental planting of adult spawners in two tributaries of the lake, the department of fish and game reported.

Egg taking activities at the Heenan Lake, Alpine County, station have been completed with the taking of 3,250,000 cutthroat eggs by California and Nevada fisheries men.

Surplus spawners than were planted in the Upper Truckee River near the Pie Shop Bridge, and in Taylor Creek near the site of the old Mt. Tallac Hatchery.

Two hundred adults averaging about two pounds in weight were planted in the Upper Truckee and 208 in Taylor Creek. Spawning activities already have been observed in Taylor Creek.

Fish and Game men said that the planting of these upspawned cutthroats from Heenan Lake is the equivalent of taking about 400,000 eggs and stocking the fry into these two streams.

Cutthroat in past years were a prized game fish in Lake Tahoe, but none have been reported in the lake for the past eight years. At present the lake contains rainbow, brown and Mackinaw trout, and Rocky Mountain whitefish.

The department said that as the spawning run in Heenan Lake continues additional spawners may be stocked in Tahoe tributaries, and in streams in Alpine County.

This year's spawning run at Heenan Lake, aided by a new fish ladder into the egg taking station, was the largest in many years, making possible the stocking of spawners in the Tahoe tributaries.

Future of the cutthroat in Tahoe depends on results on the recent, experimental plants, and on the availability of spawners from Heenan Lake.

Although Heenan Lake is spilling and some fish are entering the stream below, these cutthroats are either returned to the lake or planted in nearby waters. Every effort will be made to maintain an adequate brood stock in the lake for future egg taking activities.

LOCAL NURSE GETS  
UNIVERSITY DEGREE

Mrs. Charlotte Patnoudé, Truckee, has successfully completed all the requirements for her master of arts degree at the University of Nevada. Mrs. Patnoudé, who is the public health nurse for the Tahoe-Truckee Unified School District will attend commencement exercises at the university in Reno on Monday, June 4th at which time she will be awarded the degree.

Mrs. Patnoudé did her graduate research in administration and supervision of Elementary Education and wrote her thesis on the subject "Relationship of Auditory Acuity and Intelligence."

Also to receive a master's degree is Frank Ratliff, Jr., senior teacher at the high school. Ratliff has completed his graduate work at the University of California in his field of study and research, American and Far East history.

Other teachers receiving credit for work they have completed this year include Mrs. Helen Trask, Dan Holub and Hugh Smith. Mrs. Trask has completed a course in "Problems of Teaching Social Studies" at the University of Nevada. Holub completed a course in Audio Visual materials at the University of Nevada. Smith will receive credit from Arizona State College for work he has completed for a course, "Individual Problems in School Community Relations."

Silva's Term On Board  
Expires In January, 1962

SACRAMENTO —(CNS)— Attorney General Edmund G. Brown held today that the term of William J. Silva, member of the state fish and game commission, will expire Jan. 15, 1962.

In his opinion, requested by Gov. Goodwin J. Knight, Brown said Silva's new six year term, to which the governor reappointed him on March 20, commenced Jan. 15, the anniversary date of Silva's original appointment.

# Tarzan

by EDGAR RICE BURROUGHS

THE SHINING DEMON HAD RUN RAMPANT IN THE VILLAGE, BUT WAS NOW BLOCKED BY THE APE-MAN.

RESOLUTELY AND WITHOUT FEAR, TARZAN CHARGED FORWARD AND TACKLED THE SEEMINGLY ETHEREAL ENEMY--

BUT THE 'DEMON' PROVED TO BE OF ORDINARY FLESH AND BLOOD AND WAS EASILY VANQUISHED!

TARZAN GASPED AS HE RELEASED THE BODY-- SOME OF THE SHINY SUBSTANCE HAD RUBBED OFF ON HIS HANDS--

HE NEXT DISCOVERED A BLOW-GUN, THE 'MAGIC WAND' THAT HAD BEEN USED TO WOUND THE VILLAGERS.

6-3-1317

THEN, REMOVING A MASK FROM THE ENEMY'S FACE, HE EXPOSED NONE OTHER THAN TABULU THE WITCH DOCTOR!

## Abbie and Slats

by RAE BURN VAN BUREN

ACCORDING TO OUR GEIGER COUNTER, THAT OLD BUM'S HEAD IS LOADED WITH (GASP) URANIUM! BUT HOW DO YOU STAKE A CLAIM TO AN ESSENTIAL PART O' THE HUMAN BODY?

DON'T BE SIL, PAL--THAT HEAD AIN'T ESSENTIAL TO NOBODY BUT HIM!

YOU LOOK LIKE A SHREWD BUSINESSMAN, SIR. HOW WOULD YOU LIKE TO SELL US SOMETHING-- A SORT OF CASH-AND-CARRY DEAL?

IF I GOT ANYTHING ANYBODY WANTS--IT'S FOR SALE, BUB!

YOU'VE GOT YOURSELF A DEAL!

ONE O' US IS A SUCKER, PAL--THE QUESTION IS--WHICH ONE, AN' THAT DEPENDS ON WHAT YOU ARE BUYIN' FROM ME!

YOUR HEAD!

S' FUNNY. I COULDA SPORE YOU SAID MY (CHOKE) HEAD!

THAT'S WHAT HE SAID, PARTNER. NOW HERE'S THE CASH-- YOU DELIVER THE MERCHANDISE!!

I NEVER WELSHED ON A DEAL YET, YOU BOYS GIVE ME A MINUTE WHILE I TIDY UP THE (GROAN) MERCHANDISE!

NO HURRY, PAL--WE CAN WAIT A COUPLE OF MINUTES TO BECOME (CHUCKLE) MILLIONAIRES!

BUZZZZZZZZZZ

I NEVER TOUCH THE STUFF ORDINARILY--BUT YOU MIGHT SAY THIS WAS A (SOB) SPECIAL OCCASION!!

LISTEN TO THE GEIGER COUNTER BUZZ--IT'S SAYING--YOU'RE RICH, BOYS!

IT'S GONE! THE URANIUM DISAPPEARED FROM HIS (GASP) HEAD!

BRING THAT GADGET OVER HERE--QUICK!

THERE'S URANIUM-- BUT IT'S IN THE WATER!

GRAB IT--AND DON'T ASK NO QUESTIONS!!

BUZZZZZZZZZZ

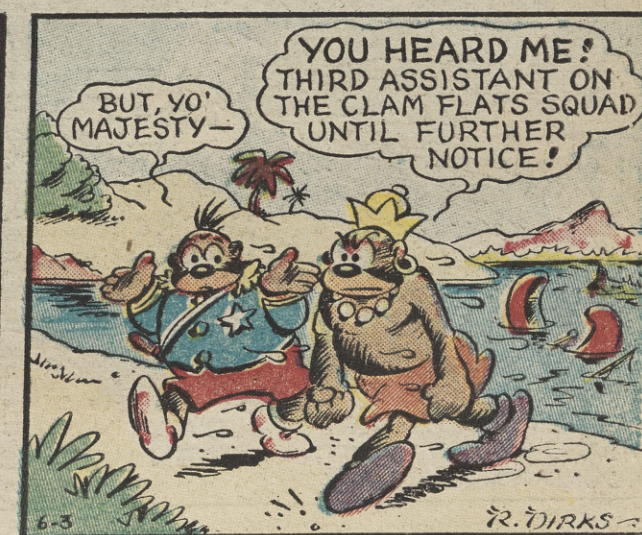

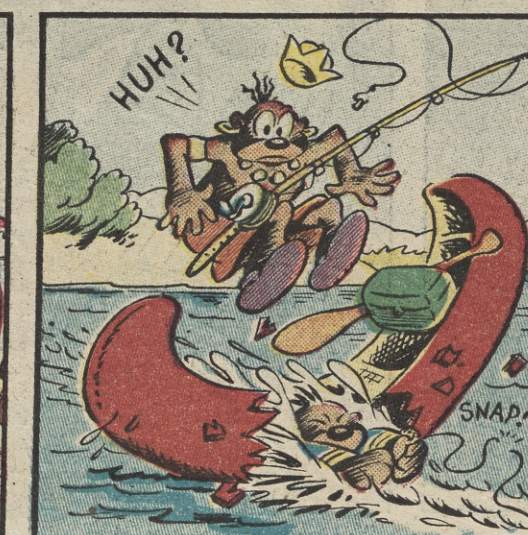

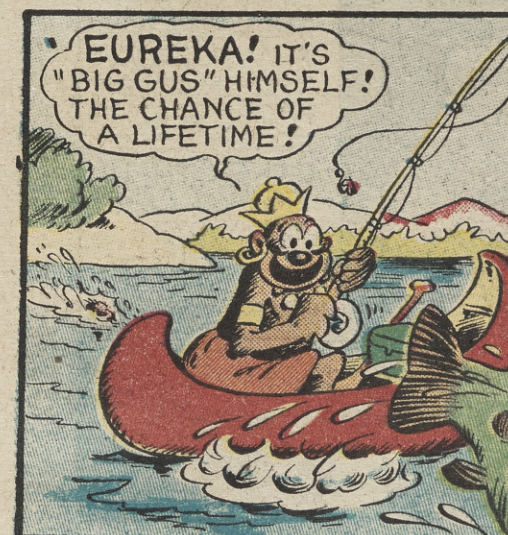

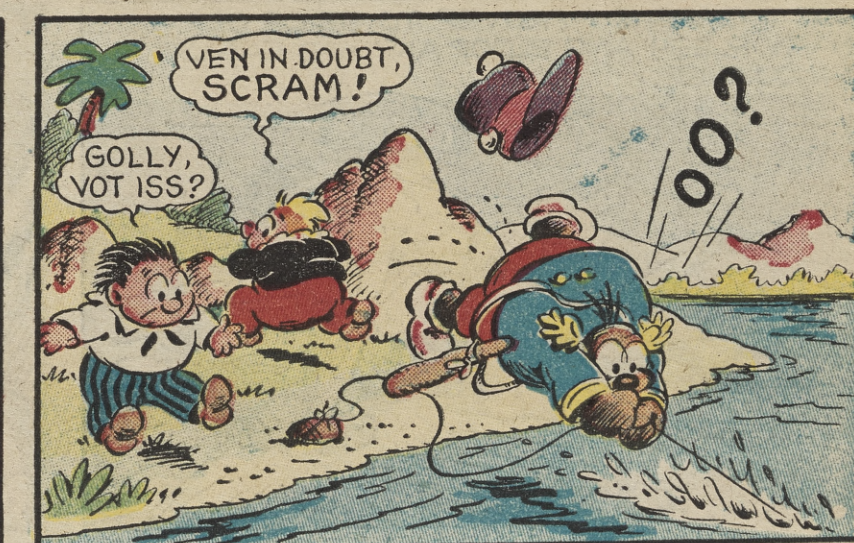

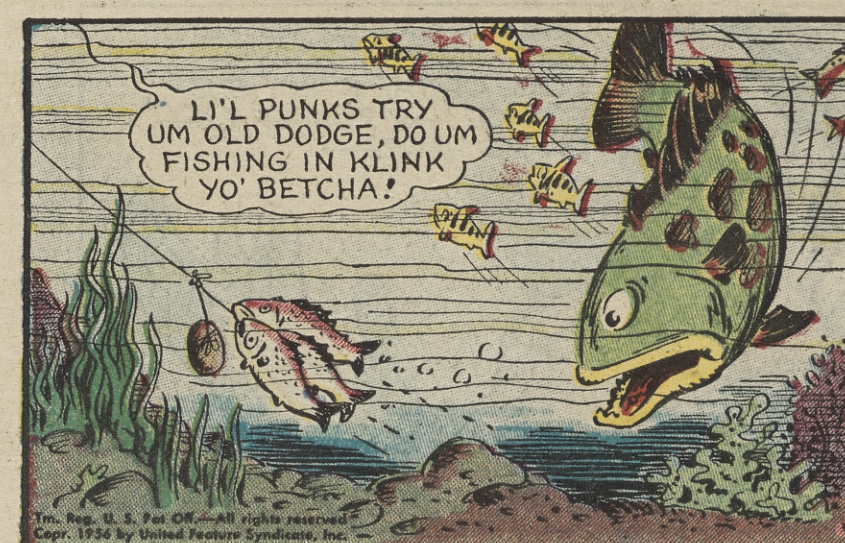

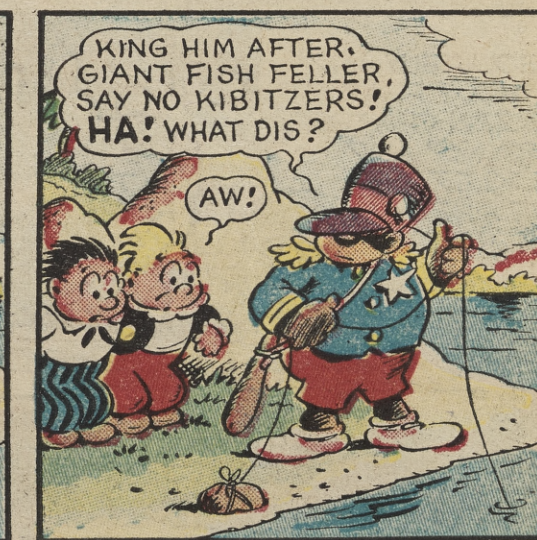

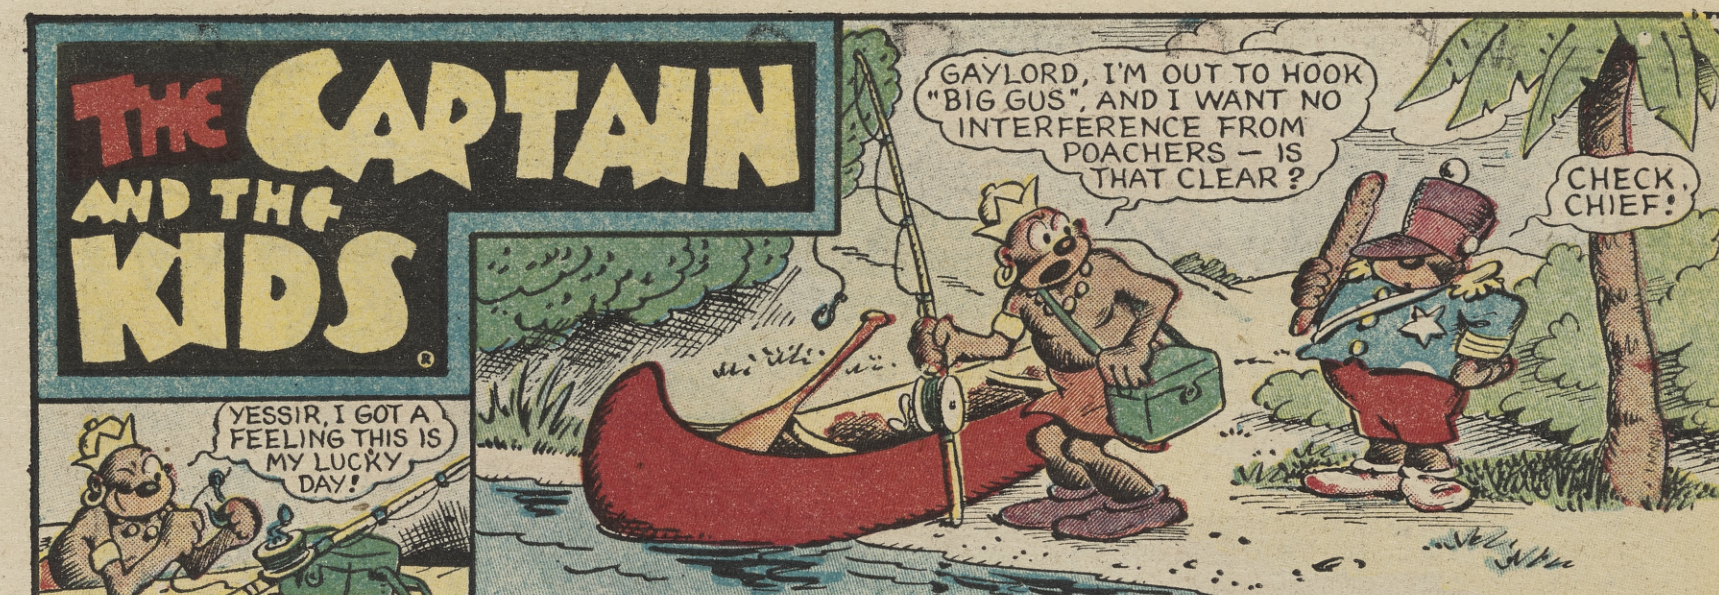

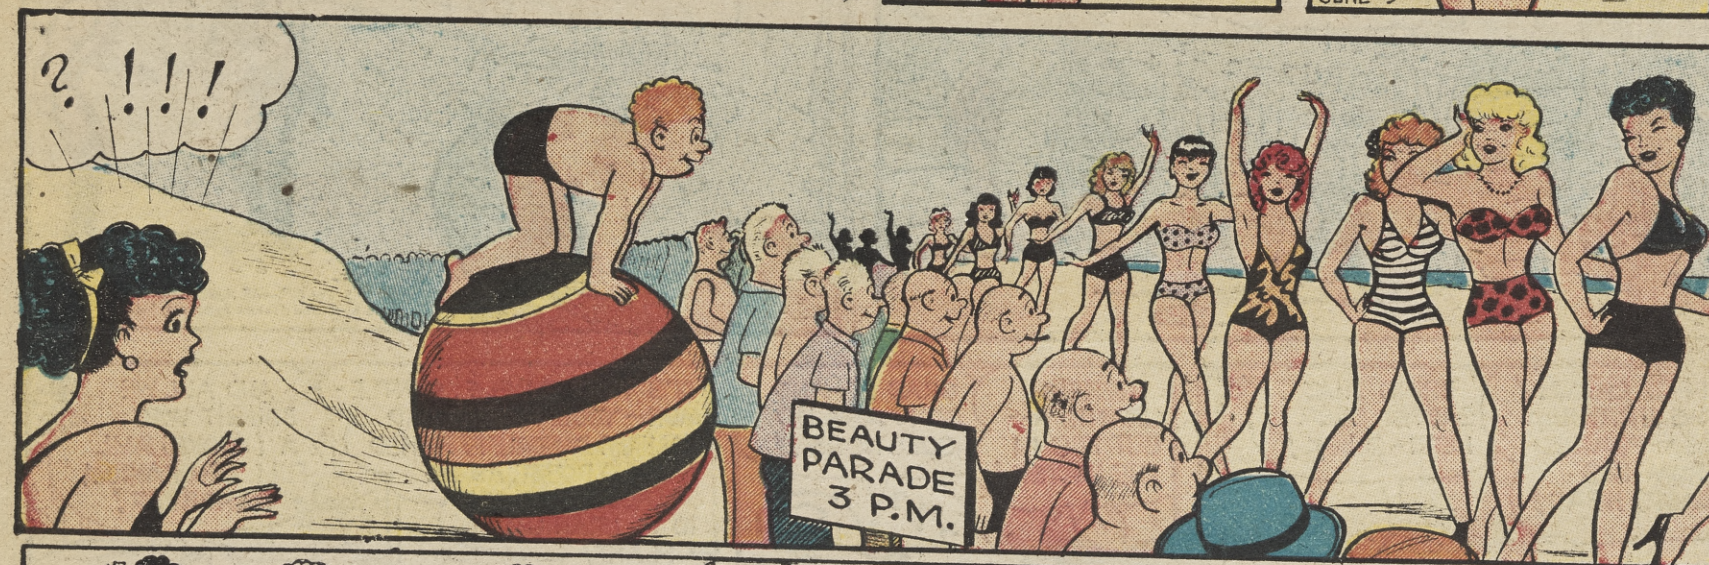

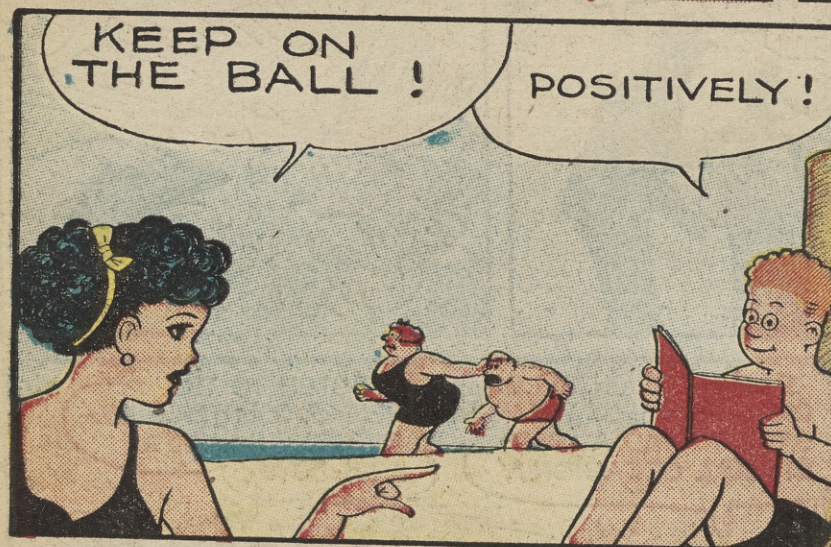

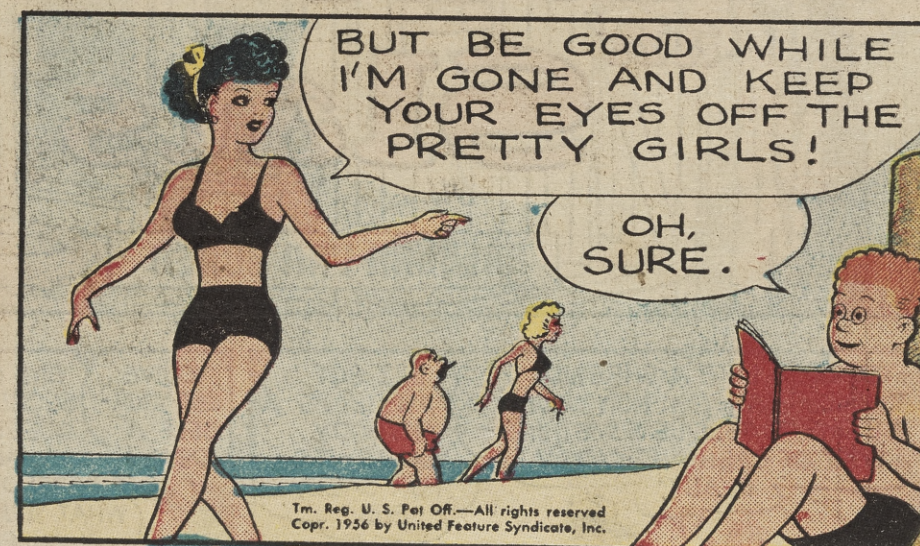

IT'S VERY SIMPLE, GENTLEMEN-- YOUR FRIEND HAD URANIUM DANDRUFF! PICKED IT UP NO DOUBT, AS HE WALKED TOO CLOSE TO A URANIUM PLANT!

URANIUM TESTING LABORATORY

AND ALL WE BOUGHT WAS A (CHOKE) PAIL FULL OF URANIUM DANDRUFF!
